Anyone arriving 15 minutes after class begins without proper advance notification will not be allowed to participate but may observe the class. In the event of an absence due to illness or family emergency, please notify the office so that the instructor may be informed.

Regular attendance of classes is essential in order to advance through the levels of study.

It is essential that all students conduct themselves in an appropriate and respectful manner during class. Disruptive or disrespectful behavior will result in the student being required to sit out or be dismissed from class resulting in parental notification.
